

Eisenhower Cadet JV Invitational - Meet Information

Tuesday, May 1st, 2018

Start Time: The meet will start promptly at 3:30 PM.

Coaches Meeting: 3:15 PM on the infield, near the finish line.

Events: See the Event Schedule (posted on *Athletic.net*) for a complete list of events and start times. **Entries are limited to five athletes per individual event and one team per relay.**

Entry Sheets: Each team's event roster will be printed out and placed in the team packets, and a seeded event schedule posted on the 'red board' on the South wall of the timing booth/shed at the Meet. **Registration closes on *Athletic.net* at 5:00 pm Monday, April 30th.** NOTE: The only changes made at the Timing Booth should be the resolution of data or registration errors, and the issuing of bib numbers to unregistered athletes (not entered in any event), from registered teams with less than five athletes already entered in the particular event.

Running Events: All results will be based on heat performances. There will be no finals. Running heats will be seeded slowest to fastest, allowing for the addition of competitors to the earlier heats, at the discretion of the Course Clerk. All running event athletes must wear their assigned number on the front of their uniform during the meet.

Field Events: At the scheduled event time, check in with the Event Clerk at the site of event. Each flight consists of approximately 10+ individuals, with current flight number and scheduled participants posted near each event. Athletes will complete all their attempts in rotation before a new flight begins. There will be 3 attempts in all the jumps and throws.

There will be no finals. Flights will be seeded longest/highest to shortest/lowest, except in vertical jumping events, which will be seeded lowest to highest. All field event athletes must wear their assigned number on the front of their uniform during the meet. (Pole-vaulters may wear their number on the back, while competing in the Pole Vault). Jumpers are advised to set their marks before the event begins, and will be allowed at least one run-through.

Awards and Timing: Fully Automatic Timing (FAT) will be in use for all running events.

Warm-Ups and Spike Lengths: Please keep the infield clear for warm-ups only. On the track, warm-ups will be limited to on the North side, outside the 'blue-line' on lane 6. **ALL SPIKES are preferred to be no longer than 3/16"** (or 1/4" at the absolute longest). We will be checking for spike length in all events (including the javelin).

Awards and Results: Places 1st thru 6th will receive Ribbons. Results will be posted on *Athletic.net* immediately after the meet concludes.

Admission: All competing athletes (dressed in school warm-ups) and coaches will be admitted free to the meet. Teams must enter by the Southwest Gate. **A \$4.00 admission will be charged for all spectators (\$3.00 for students(w/ ID), seniors(+65) and military).**

Parking/Tents: Please park busses at the South West Parking Lot, or at the adjacent Wilson Middle School. The North Side Parking Lot (on Tieton Dr.) is reserved for spectator parking. **There is only a small amount of flat field areas available for team tents. Team tents are also allowed in the North or South bleachers of Zaepfel Stadium.**

Concessions: A concession stand will be open for business for the duration of the meet, under the South Bleachers.

Thanks for Competing!
